QLB0 Haitian Cultural Tour at Paradise Cove & Beach Break		
Prices: Adult 68.00 / Child 68.00 USD	Duration: 3 hr(s)	
Restrictions: N/A	Departure Times: 8:30 am	

Overview:

This tour allows you to learn more about Haitian culture and the people of Haiti while also spending some time at an idyllic beach.

Highlights:

- Relax and sunbathe along 121 meters of beautiful beach
- See exhibits onsite that give you an understanding of the culture and people of Haiti

Full Description:

Located a short water taxi ride away from Labadee is Le Village at Paradise Cove. This private location offers 121 meters of waterfront with an idyllic beach and scenic overlook that rivals any in the Caribbean. It has a natural drop-off, well suited for playing and basking at the water's edge. At the base, behold a cool freshwater spring that has created a natural lush grotto tucked under a canopy of tropical flora.

Upon arrival, you'll have the opportunity to directly go to the beach or follow your guide to discover the rich cultural history that the people in Haiti are proud to demonstrate. Meet a local fisherman displaying the tools of his trade and showing off his catch of the day. Traverse a natural freshwater pool on a small bamboo bridge to the village where you will have an opportunity to interact with the locals. Visit a typical rural Haitian home and its important "Lakou" (courtyard) where daily and social functions take place. View their cooking techniques, handmade children's toys and natural materials used to build their homes. See how Haitian peanut butter is processed and how coffee and the orange peel are prepared for exportation to France. Your guide will also give you an overview on the religion of voodoo and how it has played such an important role in their lives. Many other exhibits onsite will give you an understanding of the culture and people of Haiti. A local artisan shop is available for those special souvenirs.

After the tour of the village, you will descend to Paradise Beach. Floats and chairs will be available beachside. A welcome drink from the beach bar is included. Relax in the water or sunbathe before your water taxi ride back to Labadee. Complimentary rum tasting, use of snorkel equipment, and kayaks will be available.

Board your air-conditioned transportation for the approximately one hour drive to Ocho Rios and Dunn's River Falls. After a comfort break, meet your guide and climb the 600 foot cascading falls.

At the conclusion of the climb, re-board the transportation for the brief drive to Mystic Mountain. Upon arrival, embark the chairlift for a fun ride up 700 feet through the tropical forest canopy. At the peak, spend a few minutes exploring the interesting educational displays about the history and culture of Jamaica and her people.

A short walk away is the crown jewel of Rainforest Bobsled Jamaica at Mystic Mountain: the Bobsled Jamaica attraction. This signature ride features a gravity-driven plunge through 3,280 feet of twists and turns on a specially designed sled evoking the glory of the 1988 and 1992 Jamaican Olympic bobsled teams. The track for the bobsled run was laid specifically to avoid disturbing the natural landscape and as such, the trail curves around ancient trees, hugs majestic cliff faces and limestone outcroppings looming over the shoreline, and ushers you through narrow chutes of dense rainforest.

You control your own descent with an in-sled handbrake, allowing for either a leisurely tour through the forest or a pulse-quicken

dive to the bottom of the mountain. Once your bobsled slides to a graceful stop, you are slowly raised back through the rainforest to the top of the mountain, completing the entire circuit in about 10 minutes.

Again at the peak, the Rainforest Sky Explorer waits to carry you down to the base, gliding this time through the dense canopy, affording you breathtaking views of the virgin forest and the rich biodiversity contained within.

- Tour departure times are local. Please check your tickets for your meeting location and time. Allow time for the tender ride in the case that your tour meets on the pier. Departure times are subject to change at any time, but you will be notified in advance by the Shore Excursions staff.
- Most tours operate rain or shine. If your tour is cancelled because of weather, your SeaPass® account will be fully refunded.
- Once you purchase your shore excursion online, you will receive a confirmation via e-mail. After you board your ship for your cruise, your excursion tickets will be delivered to your stateroom. Again, please verify meeting time and location as some tours meet in a lounge area on the ship and some at the pier.
- If you wish to cancel your tour prior to the sailing, you can do so up to 4 days prior to the sail date. Your credit card will be automatically refunded.

Booking Onboard

There are three ways to book your excursions onboard the ship:

- Visit the Shore Excursions desk

- Fill out the order form in your stateroom
- Use the Interactive TV system, available on most ships

The cost of the excursion will be charged to your SeaPass® account, for which you will be registered when you check in online or at the pier, prior to boarding the ship. Please review the cancellation policy for your selected tour, as they vary by the activities involved. All tour purchases and cancellations will be reflected on your SeaPass® account.

You can find more specific information on the web at www.royalcaribbean.com. Keep in mind that tours outside the United States may offer a different level of accommodation.

Private Group Tours

If you are traveling with a large group or would like to arrange for a private tour with a group or family, email us at groupshorex@rccl.com.

Alaska Cruisetour

Guests on our Alaska Cruisetours may sign up for the optional land excursions that are offered during free time. Be sure to purchase them 10 days in advance online or from your tour director on land to assure you are all set.

Tour Pricing

Shore Excursions are priced per person in the specific country’s local currency. Although most tours provide transportation and a local guide, many destinations also have private transportations for customized tours. Please check the tour description for amenities such as food, drinks and entrance fees. If you decide to leave or deviate from the tour at any time, you will be responsible for the cost to get back on board the ship including any other unrelated expenses. You will not receive a refund for any services that are not utilized.

Children

All guests under 18 years of age must be accompanied by an adult on all tours. Children’s pricing is available on many tours for guest ages 4-12. Children ages 3 and under are free.

Gratuity

Tour pricing does not include gratuity unless specified. Extending a gratuity to your guide and/or driver is strictly optional; however in some countries, your guide may anticipate that if you are pleased with their services, you will reward them in a monetary fashion. Generally, an appropriate tip would be \$4-\$6 USD per person for a half day tour and \$10-\$15 USD per person for a full day tour.

Currency

For your convenience, currency exchange rates are updated periodically so you can calculate pricing. The purchase of an excursion is charged in the same currency you paid for your cruise. Online cancellations will be returned to the credit card used and onboard refunds will be returned to your SeaPass® account in USD.

Price Changes

Prices can change at any time and can vary by sail date and cruise. The prices in this brochure are valid for the sail date and cruise at the time the brochure was created. To see the most current pricing, log into Pre-Cruise Planner and enter your sail date at www.RoyalCaribbean.com/shoreexcursions.

Delays and changes to tour itineraries

In case of a delayed arrival into a port, announcements will be made regarding the exiting of the vessel and tour departure times. You will be notified of any changes to the tours you have selected unless tour arrangements were made with vendors not advertised through Royal Caribbean International. In this case, shipboard staff cannot provide assistance and Royal Caribbean International will not refund cancellations as a result of any delays.

Attire

When deciding what to wear, we suggest you check the weather in the area you are visiting and look for the dress code icon in the

tour description regarding appropriate dress code. If you have additional questions, please visit the Shore Excursions Desk onboard your ship.

Shopping

Many tours allow for guests to shop or explore independently; however that time is limited and can be modified as needed during the tour. Please review the tour description and/or visit the Shore Excursions desk, onboard your ship, for timing on independent shopping and exploration.

Tour Transportation

Please keep in mind that transportation varies throughout the world. Vehicles used for shore excursions may not have air conditioning, restroom facilities and/or seat belts/restraints. For the comfort of all guests, smoking is not allowed on any vehicles used during shore excursions.

Transportation at Ports

Because several ports are not located in the city center, we arrange a shuttle bus service for a fee in those ports. Guests can also utilize the local services. A list of these specific ports can be found onboard.

Promptness

It is essential that ALL guests be back onboard no later than 30 minutes prior to the scheduled departure time. This information is posted daily at the gangway. Although shore excursions meet these schedule requirements, even if you are not on a tour, you are also responsible for being back onboard the ship on time. If for any reason a tour is delayed, the shipboard management team will await the tour's return. However, guests on tours with vendors not advertised through Royal Caribbean International are responsible for ensuring their return to the ship on time as it will not wait for them, despite any delays.

Legal Responsibility

Royal Caribbean International offers shore excursions for guest convenience and peace of mind. Although we have carefully selected the finest excursions at each port, services are provided by independent tour operators. Royal Caribbean International will not be responsible or liable for any loss, damage, injury, costs, or delays resulting from or in conjunction with your use of these services.

Royal Caribbean International acts only as the agent of the supplier of these services and does so on the sole condition that no liability of any kind, however caused, shall attach to Royal Caribbean International or its agents, servants or employees in connection with or arising there from. All tickets, coupons and vouchers issued by Royal Caribbean International for shore excursions made on behalf of guests are solely subject to the terms and conditions of the person or company providing those transportation facilities ashore.
